Christine Kump
Project Coordinator
Hazardous Waste Program
Missouri Department of Natural Resources
P.O. Box 176
Jefferson City, MO 65102-0176

Dear Ms. Kump:

Enclosed is the first quarterly report, as required in paragraphs 91 through 94 of the Corrective Action Abatement Order on Consent, Order No. 99-HW-002 (AOC). The following summarizes the activities completed during the quarter.

Description of Work Completed During the Quarter:

- The AOC was received by Modine, through its legal counsel Bryan Cave, LLP, on August 18, 1999. This became the effective date of the AOC.
- The previously submitted (on April 15, 1999) and approved (on May 17, 1999) dye trace study was completed on September 7, 1999 with results and conclusions submitted as part of the RCRA Facility Investigation (RFI) Work Plan.
- The RFI Work Plan was submitted to the Missouri DNR on October 7, 1999 in compliance with the AOC.
- The designated project coordinator for Modine Manufacturing Company is:

Thomas Sanicola
Environmental Engineer
Modine Manufacturing Company
1500 DeKoven Avenue
Racine, WI 53403
(262) 636-1649

- The designated contractor for the project is Dames and Moore with subcontractors being further detailed in the RFI Work Plan.

Summaries of Findings, Data, Etc.:

There was no data generated to summarize during the quarter other than the data already presented in the RFI Work Plan.

Modine Manufacturing Company

RCRA RECORDS CENTER

Summaries of Problems or Potential Problems and any Corrective Measures Implemented:

There were no problems or potential problems encountered during the quarter.

Projected Work for the Next Reporting Period:

The scheduling of any future work to be performed at the facility during the next quarter is dependent on the approval of the RFI Work Plan by the Missouri DNR. The work may include soil sampling and analysis, a groundwater sampling event and a risk assessment for the facility as detailed in the Plan.

Instances of Non-compliance with the Requirements of the Order:

There were no instances of non-compliance with the requirements of the Order during the quarter.

If you have any questions on this report, please contact me at (262) 636-1649 or at the letterhead address.

Sincerely,

Thomas S. Sanicola
Environmental Engineer
